

Don't forget about the Dam Summit- September 17th

It's clear from listening to our partners that dams—their management, modification and/or removal—is an issue we need to spend more energy on.

To help launch this effort, we are holding a [Dam Summit](#) on September 17. We're fortunate to have **Bryan Burroughs, PhD.**, from the [Michigan Council of Trout Unlimited](#) as the keynote speaker. Other presentations include case studies on the Hersey Dam removal by Gary Noble, Executive Director of the Muskegon River Watershed Assembly, and the Green River Dam removal by Mark Johnson, Conservation Resource Alliance Project Manager.

Please join us at the Ramada Inn in Grayling, 9am –1pm. Lunch will be provided but space is limited. **Please RSVP** to Jill Scarzo at (989) 344-0753 or jill@huronpines.org.

Make a Difference- Join AmeriCorps!

Positions are still available with the **Huron Pines AmeriCorps** program. Members strengthen conservation organizations and meet a number of community and natural resources needs. Huron Pines AmeriCorps members serve in four areas: Volunteer

Recruitment, On-the-Ground Restoration, Public Outreach, and New Initiatives. This is a

one-year commitment to serve with conservation nonprofits impacting Northeast Michigan.

Find out how to get involved with [Huron Pines AmeriCorps](#).
